Chemical Institute of Canada

2011 National Crystal Growing Competition Winners

A special thank you to:

- Anachemia Science for providing the Aluminum Potassium Sulfate for the contest as well as prizes for the students
- Université de Québec à Chicoutimi for providing the cash prize for the best “green” crystal
- The many teachers who supervised their students and gave a lot of their own time
- The Chemical Institute of Canada volunteers who coordinated the contest in their region and regional judges
- The panel of judges who volunteered to evaluate the crystals at Université du Québec à Chicoutimi and locally.
