

ENVIRONMENT DIVISION

CIC Environment Division - May 2011 Newsletter

The Division is taking a more active role in the 2011 program of **Canadian Chemical Engineering Conference** held from October 23 – 26 in London, Ontario. The program can now be accessed on-line. http://www.csche2011.ca/program/theme_environment.html

Abstract submission closes on **May 31st**! If you haven't already done so, please consider submitting an abstract for one of the environmental sessions:

- Water and Wastewater Management
- Industrial Wastewater Treatment Technologies
- Air Pollution Monitoring and Control Systems
- Advanced Technologies for Waste Treatment
- Contaminated Sites
- Sludge Management
- Emerging Contaminants
- Resource Recovery and Conservation

We also hope to see many of you during the **94th Canadian Chemistry Conference and Exhibition** next week in **Montreal**. An exciting and very comprehensive program has been put together by Kevin Wilkinson and the many session chairs. The lecture for the **2011 Environment Division Research and Development Award** will be given by Dr. X. Chris Le from the University of Alberta during the Environmental Award/General Session of the CSC conference on the afternoon of **June 6th**.

Please make some time to attend the **Annual General Meeting** which will follow the award lecture.

Annual General Meeting

Monday, June 6, 2011
18:00-19:00
Room 513c

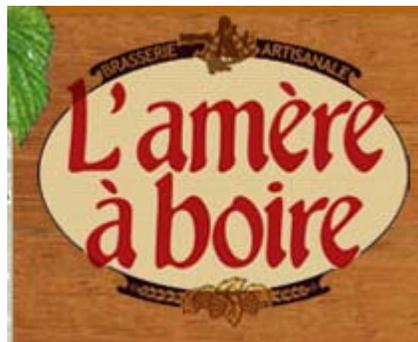

- Welcome
- Minutes of 2010 AGM
- Chairs Report
- Financial report
- Election of Executive
(The current executive is willing to stand for office again)
- Other business

After last year's success, we will again hold a **mixer** to foster relationship building. This year, we will visit one of Montreal's famous microbreweries. *L'amère à boire* is within walking distance of the Palais de Congres on 2049 Saint-Denis Street in Montreal. <http://www.amereaboire.com/>

**ENVIRONMENT
DIVISION** *MIXER*

L'amère à boire, 2049 Saint-Denis Street

Join us on June 6, 2011 starting at 7:30 for free beverages (while quantities last).

Hope to see you there!

As always we would like to hear from you, about what interests you, and what divisional activities would be of value to you. We would also like to honor special achievements of our members in our newsletter.

The Division's website is now updated (http://www.cheminst.ca/index.php?ci_id=2598&la_id=1). Please contact one of the executive members with ideas and suggestions.

Daniela Loock
Chair, Environment Division
